NATIONAL CONFERENCE OF SOCIAL WORK

Number 1

An Important Message!

The thing of greatest importance now is,—to bring to bear upon present-day social problems the accumulated knowledge of social work processes and the social approach to economic and governmental problems that social work has to offer. The standards of service that our communal life needs and can not afford to do without at any time, especially during the emergency, must be defended with all our force. The social work technique refined and developed over the years, that can bring to society the greatest amount of safety and help during and after the present, or any period of abnormal stress, must not be lost in the welter of emergency measures. Imperfect as some of these contributions may be, the world needs them badly.

As social workers, are we contributing our full measure of help during the present emergency? Is our point of view and the point of view of organized social work being made effective in our communities? Are we satisfied to accept a minor part in a drama in which we should be dominant actors? Present-day economic and social difficulties should be a challenge to each social worker to help build a stronger social structure for the future.

Help, as an individual. Form study groups in your community. Serve on committees searching for permanent solutions. Be ready to place at the disposal of organized society the best that our profession has to offer.

CM Bookman

President,

National Conference of Social Work.

**PROCEEDINGS OF THE 1931
MEETING**

The Proceedings of the 1931 Annual
Meeting of the National Conference of
Social Work at Minneapolis were
shipped on December 1st to all mem-
bers of the Conference whose mem-
bership fee is \$5.00 or more. This is
the earliest for many years that the
Volume has been published. If you
are entitled to a copy and have not
received one, please let the Conference
office know at once so that corrections
may be made. Where members dues
were payable prior to November 1st
but for some reason have not been
paid, the Volume will be sent upon re-
ceipt of the membership fee.

Copies of all manuscripts, which
were submitted to the Editorial Com-
mittee but which for various reasons
were not printed in the Proceedings,
are on file in the Russell Sage Founda-
tion Library, University of Chicago
Library, and the University of Cali-
fornia Library where they are avail-
able for research purposes. The Con-
ference office also keeps a file of these
manuscripts. Individual copies can
be borrowed by members of the Con-
ference upon request.

NEW OFFICE ADDRESS

Despite the announcement in the
August Bulletin, mail is still com-
ing to the Conference office addressed
to the old address on East Long
Street. Please note and correct your
files to show that the new Confer-
ence office address is 82 North High
Street, Columbus, Ohio.

**NOMINATIONS FOR OUR NEXT
YEAR'S OFFICERS**

The Nominating Committee, Shelby
M. Harrison, 130 E. 22nd St., New
York City, Chairman, urges the mem-
bers of the Conference to send in sug-
gestions for officers and members of
the Executive Committee to be elected
at Philadelphia and Detroit.

The Conference last June at its an-
nual business meeting voted to inaugu-
rate a system of voting by mail.
It is impossible to put this into effect
until the election that takes place at
the meeting in Detroit in 1933. Ac-
cording to the amendment to the Con-
stitution adopted unanimously by the
Conference, the Nominating Commit-
tee this year is charged with the re-
sponsibility of nominating two sets of
officers, one to be elected at Phila-
delphia for the year 1932-33, and by
the same process of election as has
been used in the past, and another for
officers and members of the Executive
Committee to be elected at Detroit for
the year 1933-34, but to be elected
under the new arrangement. Both sets
of nominations will be announced at
the Annual Meeting in Philadelphia.

The Nominating Committee is
charged with the responsibility of
nominating one or more candidates to
the offices of President, 1st, 2nd, and
3rd Vice-Presidents, and at least
twice as many nominations for the
Executive Committee as there are va-
cancies. It will welcome any sugges-
tions from the Conference member-
ship. They should be sent directly to
the Chairman of the Committee.

THE MEMBERSHIP LIST

Most of this issue of the Bulletin is
given over to the annual publication
of the membership list of the Confer-
ence. The staff makes every effort to
have this list as accurate as possible
but errors will creep in. Please noti-
fy the office of any change of address.
It would be very helpful if each mem-
ber would examine their own citation
and if there is any error notify the
Conference office at once.

A WORD TO THE WISE

Every indication now points to a
larger registration at Philadelphia
than at any previous Conference.
Social work leaders from all over the
country are feeling the need of infor-
mation and inspiration that can be
secured only at the Annual Meeting
of the National Conference. Else-
where in this Bulletin there is a list of
hotels and their rates at Philadelphia,
together with a blank for making
your hotel reservation early. We sug-
gest that you attend to this matter
now so as not to be disappointed later
on.

PROGRAM COMMITTEE

The Program Committee of the
Conference at its regular fall meet-
ing outlined a series of general ses-
sions of the Conference. Inasmuch as
speakers have not been secured in all
cases, no announcement of speakers
can be made until the February Bule-
tin. The tentative program is as fol-
lows:

Sunday, May 15th—President's Ad-
dress, Social Responsibilities Arising
from Unemployment.

Monday, May 16th—The Partner-
ship of Public and Private Service.

Tuesday, May 17th—The Crisis in
Social Work.

Wednesday, May 18th—Conference
Dinner.

Friday, May 20th—The Social Re-
sponsibility of Industry.

Saturday, May 21st—Social Work,
An International Bond.

The Program Committee approved
the Handbook that has been prepared
for the use of the Division Chairmen
and representatives of Associate
Groups. These handbooks bring to-
gether all the rules and regulations of
the Conference regarding the conduct
of meetings and the relationship be-
tween Divisions and Associate Groups.
The Division Chairmen Handbook also
contains some material on program
building. These are experimental edi-
tions designed to enable those respon-
sible for programs at the Annual
Meeting of the Conference to accom-
plish their work more effectively.

The Program Conference, consist-
ing of all Division Chairmen and the
representatives of all Associate
Groups planning meetings met on Oc-
tober 21st. Its purpose was to clear
tentative plans for meetings so as to
avoid duplication of subject matter
and to make possible supplementary
meetings, joint sessions and the like.
The morning was spent in a discussion
of how to build programs, what fac-
tors make for strong programs and
so on. In the afternoon each division
and associate group reported their
tentative plans for the program at
Philadelphia. The reports give prom-
ise of a strong program.

The Second International Conference of Social Work

The Second International Conference of Social Work will be held in Frankfurt-am-Main, Germany, opening on Sunday evening, July 10, 1932, and closing either on Friday evening, July 15th or Saturday noon, July 16, 1932. Headquarters will be maintained and meetings will be held at the Municipal Exposition Hall in

Frankfurt. The Exposition Hall has magnificent facilities for Conference purposes and is within walking distance of the main hotels in Frankfurt.

The Program. The general theme of the Program of the Second International Conference is "Social Work and the Family." The Conference

will be organized into six Commissions, each taking a main sub-division of the general theme. Under each Commission several special themes will be presented for discussion.

There will be at least two plenary sessions, one at the opening of the Conference and the other on "Unemployment" later in the Conference

Final Session.

Reports on the Results of the Six Commissions.

week. The six Commissions will meet daily for the presentation of special themes and their discussions. Additional themes will be added to the Program as the work of the National Preparatory Commissions develop.

Each Commission will have a general international Chairman who will preside at all the meetings of the Commission. Speakers are being selected to give the first presentation

of the main subjects of each Commission, and the special themes. It is expected that the names of the speakers on the general topics and special themes will be available for publication in the February Bulletin.

Each country participating in the International Conference of Social Work has been asked to appoint a National Preparatory Commission for each of the six Commissions as outlined in the Program. They will pre-

pare available material from their own country on the general and special themes of each Commission and forward it as rapidly as possible through the Secretariat of the International Conference to the speakers who have been selected. They will also appoint an official reporter, presumably the Chairman of each National Program Preparatory Commission, who will present in the discussion any special national points of

view or experience. In each case the discussion will be opened by the various national reporters. After they have made their contributions, the discussion will be open to all who wish to participate.

As each National Commission develops its work it is anticipated that they will discover additional material of value and interest for the Program. Such topics or studies will be forwarded to the Secretariat of the International Conference and, at the discretion of the International Chairman, will be presented as special themes on the Program. However, the emphasis throughout the Program is on the discussions led by the designated reporters from each country and then by all who wish to participate. Inasmuch as the Conference has been lengthened by two days over the original plan, there will be ample time for this discussion.

The Program Preparatory Commissions organized in the United States are listed on page 42. They are already at work in the preparation of their share of the material for the Program.

Frankfurt-am-Main. It is peculiarly fortunate that Frankfurt-am-Main, Germany, was selected as the city for the Second International Conference of Social Work. Rich in history and tradition, it is accessible from all points of western Europe and in the heart of a particularly interesting country for delegates from the United States. It promises to extend typical German hospitality to all delegates from other countries. Space does not permit an extended description of the historical charm of Frankfurt. Suffice it to say that not only the physical needs of delegates will be amply cared for but a week in Frankfurt is a privilege never to be forgotten. Dr. Hertha Kraus of Cologne, Germany, whom many of us will remember from the Minneapolis meeting of the National Conference of Social Work, has been appointed the official hostess of the delegation from the United States. Hotel facilities are ample and accommodations can be secured from very inexpensive ones to the most luxurious of hotels. Living costs in Frankfurt need not be high. Time will be provided during the week of the Conference for sight-seeing. Many social affairs are being planned and, best of all, time is being provided for those personal conferences and contacts which are so valuable at an International Congress. A German-American dinner will be held on the evening of July 13.

Special Services for United States Delegates

The Committee on International Conference of the National Conference of Social Work, when organized, was charged with the responsibility of not only co-operating with the Secretariat of the International Conference in the preparation of Program material, but also for the development of services for delegates from the United States that would enable the delegates to secure the greatest professional and personal value from at-

tendance at Frankfurt. In carrying out these responsibilities the following have so far been provided:

(a) **American Headquarters.** A hotel in Frankfurt will be designated as American headquarters hotel. The name of this hotel will be available soon. It is thought that this hotel can serve as a rendezvous for persons from the United States although not with the expectation that all delegates will wish to live there. Some will want less expensive accommodations and others will want better accommodations.

Arrangements have been made

for a booth headquarters at the International Conference headquarters in the Municipal Exposition Hall. This will be open during the time that the Conference is in session. Here will be information as to what social workers are present from other countries as well as from the United States. So far as possible, assistance will be given in making appointments with leaders from other countries. In other words, an effort will be made to approximate the headquarters services of a National Conference of Social Work although on a small scale.

THE GERMAN-AMERICAN INSTITUTE

July 9th 10:00 A. M.

1. "The German Constitution," Stradtrat Dr. Friedlander, Berlin.
2. "The German Political Situation," Adele Schreiber, Berlin.
3. "The German Economic Situation," Dr. Hertha Kraus, Cologne

1:00 P. M. Luncheon

2:30-4:30 P. M. Round Table Discussion by fields of Social Work for understanding German methods and clarifying vocabulary.

5:00 P. M. Tea at Palmengarten.

July 10th 9:30 A. M.

1. "The System of Social Insurance," Dr. Ruth Weiland, Berlin.
2. "Federal and State Legislation in the Field of Social Work," Bürgermeister Pick, Stettin.
3. "Modern Tendencies in the German Educational System," Oberstudiendirektor Dr. Muller, Wuppertal-Barmen.

1:00 P. M. Luncheon

2:30-4:30 P. M. Round Table Discussions continued from the previous afternoon.

(b) **The German-American Institute.** Inasmuch as this International Conference will be held in Germany with a large attendance of German social workers, many from the United States will wish to learn particularly about Germany and its social work. Arrangements are being completed for a two-day institute in Frankfurt, July 9 and 10 for an institute that will give to American delegates a background of German social, political, and economic development as the basis for their social work and also through Round Table Discussion, an opportunity to clarify our professional terminology. Dr. Ruth Weiland of Berlin and Dr. Hertha Kraus of Cologne are co-operating in the arrangements. The institute will bring together such American delegates as wish to participate with a group of German social workers who speak English. There will be six lectures and discussions and two series of round tables.

An institute fee of \$2.00 will be charged to cover necessary expenses. Mimeographed copies of the lectures in English will be

available at the close of the institute to members at 50c for the set.

Reservations should be made in advance and may be sent to the office of the National Conference of Social Work.

(c) **Seminar Travel Group.** Recognizing that many social workers from the United States attending the International Conference of Social Work will wish while in Europe to spend some of their time in a study of various forms of social work and in consultation with leaders from various countries, arrangements have been made for a series of Seminar Study Travel Groups. The Open Road, 20 West 43rd Street, New York City, a non-profit organization, interested in the development of cultural and professional contacts between the United States and Europe and peculiarly equipped to organize and conduct such groups, is sponsoring and making arrangements for these Seminar Study Travel Groups. It is planned to keep each group reasonably small with not less than ten persons.

(Continued on page 41)

Members, National Conference of Social Work

The list of members given below includes all active members in good standing of the National Conference of Social Work as of November 15, 1931. Every effort has been made to have this list accurate as to name, address, and affiliation. If any error has been made, please notify the Conference office at once.

The asterisk indicates attendance at the last Annual Meeting of the Conference in Minneapolis in June, 1931. This is the last year that this custom of noting members who attended the Annual Meeting will be followed. It

entails a great deal of work in the Conference office and when completed does not give, by any means, an accurate list of the attendance at the Annual Meeting, e.g., at Boston there were more than seventeen hundred and at Minneapolis more than six hundred persons registered at the Conference, who were not members of the Conference or from agencies that were members of the Conference. Therefore, in the future, the membership list, when published, will indicate only members and will not attempt to indicate attendance at the Annual Meeting.

All classes of membership are included in the list: Institutional members paying dues of \$25 a year; Contributing members; Sustaining members paying dues of \$10 a year; Regular members paying dues of \$5 a year or dues of \$3 a year not including the Proceedings. All members receive the Bulletin, and all except those paying dues of \$3 receive the Proceedings.

C—Contributing member.

I—Institutional member.

S—Sustaining member.

MEMBERSHIP RENEWAL

A short time ago there was received in the office a letter from one of our members approximately as follows: "Herein is my check for membership. I have delayed sending it until I received your entire set of follow-ups. They are very good and I wanted the entire set." If any of the eleven hundred and twenty-four members of the Conference whose membership renewal fee was due between May 1st and November 1st but which on the latter date was still unpaid, are delaying the renewal of their membership because they wanted the entire set of follow-ups, please write at once. We will be glad to send the follow-ups.

In other words, this is a plea for our members who wish to continue their membership, and we assume that they do, to renew it promptly when notified. The more than eleven hundred memberships past due for renewal on November 1st, represented potential income of \$5,560.00. The share of each individual is relatively small, but the sum total is large. The prompt payment of membership fees means the maximum use of your membership money for Conference purposes.

SECOND GENERAL CONGRESS ON CHILD WELFARE
Geneva, 1932

This Congress follows upon that organized in Geneva in August, 1925, by the Save the Children International Union. Under the patronage of the Swiss Federal Council, the First General Congress on Child Welfare was attended by over a thousand participants from 52 different countries.

The Second Congress will take place from July 18th to 21st, 1932, immediately after the International Conference of Social Work to be held at Frankfurt from July 12th to 15th.

The organization of the Congress is in the hands of a special Committee, composed of some members of the Board of Direction formed in 1925 to ensure the continuity of these Congresses, the officers directing each of the three Sections of the Congress, and several members of the Executive Committee of the S. C. I. U.

The work of the Congress will be divided into the three following Sections which correspond to the three categories of children particularly requiring study at the present day:

- (1) Section on the Child in Social and Moral Danger.
- (2) Section on the Pre-School Child.
- (3) Section on the Post-School Child.

Each Section will confine its study to a few important questions. They will each enjoy, within the general rules of the Congress, a certain autonomy regarding both their preliminary preparations (choice of reporters) and their actual work (procedure of discussion, etc.).

Summaries, in three languages, of the reports presented, will be distributed beforehand. The actual reports will subsequently appear in the *Revue Internationale de l'Enfant*.

In addition, public lectures will be given on various subjects which are less suitable for discussion, but which it is nevertheless useful to introduce.

Miss Miriam Van Waters, formerly President of the National Conference of Social Work is the President of the first section. Details may be secured from J. M. de Morsier, 31 Quai du Mont Blanc, Geneva, Switzerland.

PHILADELPHIA IS GETTING READY

Philadelphia has already started its preparations to entertain the Conference next May. The necessary Local Committees have in most cases been organized with the following Chairmen:

- Philadelphia Committee on Arrangements
 National Conference of Social Work—1932
Organization
 General Chairman, Pending acceptance
 Vice-Chairmen—
 Sherman C. Kingsley
 Father Edward J. Lyng
 Joseph H. Hagedorn
 Secretary, Ella F. Harris

- Committees**
Committees **Chairmen**
 1. Headquarters (sub-committees) Dorothy Wisner
 a. Registration Service—
 Luella Harlin
 Theodora Butcher
 b. Information Service,
 Lena R. Waters
 c. Booths, Horace P. Kern
 2. Physical Equipment,
 Robert M. Heine
 3. Halls and Meeting Places,
 Alexander Fleisher
 4. Hotels and Housing,
 Frank Devine
 5. Publicity, Publicity Council
 6. Membership, Edwin D. Solenberger

The Chairmen of the Finance Committee and the Hospitality Committee are still to be selected.

Conference headquarters will be in the new Municipal Auditorium and all meetings with the exception of certain luncheon and dinner meetings will be held there or in the immediate vicinity. In many ways this is the finest equipment for a Conference headquarters that the National Conference has enjoyed for many years. Because of its distance from the hotel area, facilities will be provided for restaurant service, lounges, and small Conference rooms so that persons attending the Conference may plan to spend the entire day at headquarters, either attending meetings or in personal consultation.

Headquarters Hotel

Philadelphia is well equipped with hotels. The Benjamin Franklin has been designated as the hotel headquarters for the National Conference and the other leading hotels will be used as headquarters for a number of the associate groups.

(Continued from page 4)

A social worker from the United States will be in charge of each group. The program of Conferences, visitation, institutions to be seen and so on is being worked out by social work leaders in the various countries in co-operation with the International Student Hospitality Association which is the European organization working with the Open Road. Costs have been kept at a minimum.

European Social Work Travel Seminars

The Travel Seminars are being arranged as a service available for delegates from America to the International Conference of Social Work in Frankfurt-am-Main, Germany, July, 1932. The itinerary of each group is arranged to give members an insight into some of the most significant social work developments in Europe, and an opportunity to know and talk with social work leaders in European countries.

As each group enters a new country, it will be joined by an English speaking social worker from that country who will act as guide and host until the group enters another country. In addition to the professional conferences, discussions, etc., there will be ample time for sight-seeing and free time for the members to use as they desire. The prices are based on ocean travel by tourist class. Arrangements can be made to travel cabin class if one wants more luxury on the ocean voyage or third class if one needs to economize. In most cases the cost can be reduced by about \$70 by travelling Third Class on the same boats. The price assumes a minimum of 10 persons in each group. Unless otherwise noted, the German-American Institute on July 9 and 10 as well as the International Conference of Social Work is included in the itinerary. For complete itineraries and detailed information write directly to The Open Road, Incorporated, 20 West 43rd Street, New York City, or to the leader of the group.

Social Work Seminars

1. Family and Child Welfare. Leader, Emil Steger, St. Louis Provident Association, St. Louis, Missouri.

This group will study family and child welfare methods particularly in Germany and Austria. It will also attend the second General Congress on Child Welfare, July 18-21 at Geneva, following the week at Frankfurt.

Starts, July 1st. Returns, September 4th. Price \$688.00.

2. Social Work in Russia. Leader, Walter Pettit, Assistant Director, New York School of Social Work, 122 East 22nd Street, New York City.

Under the leadership of Mr. Pettit, who knows Russia, this group will spend a month in Russia, visiting significant social developments and conferring with social work leaders.

Starts, July 1st. Returns, September 4th. Price \$855.00.

3. Public Health Activities. Leader, Kenneth D. Widdemer, Director, Committee on Neighborhood Health Development, 139 Centre Street, New York City.

The administration of public health activities in England, Holland, Germany, Italy and France will be studied by this group. Included, also, is an automobile trip through the Alps.

Starts, June 16th. Returns, August 20th. Price \$697.00.

4. Mental Hygiene. Leader, Frankwood E. Williams, former Director, National Committee for Mental Hygiene, New York City.

This Seminar will constantly keep in mind American methods and problems, discussing what is seen abroad in relation to our work here. The methods of institutions, agencies and individuals will therefore be examined from a very practical viewpoint. Procedure will be based on experiences of the leader in making similar surveys, the aim being to cover the material without forcing the attention of the members or crowding out the incidental pleasures of European Travel.

Starts, June 16th. Returns, August 21st. Price \$763.00.

5. Prisons and Correctional Systems. Leader, Frederick A. Moran, Executive Director, Division of Parole, Department of Corrections, State of New York, Albany, New York.

This Seminar will review the various prison systems in force in Europe. There will be interviews with officials, criminologists, judges, psychiatrists, and social workers. Institutions will be visited. Particular attention will be paid to the methods employed in the after-care of prisoners.

Starts, June 23rd. Returns, August 28th. Price \$617.00.

6. Folk Festivals and Immigrant Backgrounds. Leader, Florence Cassidy, Department of Immigration and Foreign Communities, National Board of the Y.W.C.A., New York.

This Travel Seminar is planned primarily for social workers and teachers interested in the old world backgrounds of immigrants from Central and South Eastern Europe. There will be interviews with government officials and social workers who are concerned with problems of emigration and immigration; trips to peasant villages; opportunities to see folk festivals; optional visits to ethnological museums; and freedom to pursue individual lines of inquiry. The constant aim will be to combine the joy of travel in "paths off the beaten track" with practical preparation for "the job back home." The German American Institute is not included.

Starts, June 26th. Returns, September 2nd. Price \$795.00.

7. Social Insurance (Special attention to Unemployment Insurance). Leaders, Howard R. Knight, National Conference of Social Work, Mrs. Knight, assisting. One of the most important questions of social policy in the United States is the practicability of various forms of social insurance. This group will pay particular attention to the administration of social insurance in England and on the Continent. Special emphasis will be given to the study of Unemployment Insurance, its cost, various forms and methods in several countries and its results so far as they can be measured or evaluated. Personal contacts

with those most vitally connected with this work in different countries will afford a most stimulating and clarifying experience for the group.

Starts, June 16th. Returns, August 20th. Price \$689.00.

European Hospitality Groups

For those delegates who wish to devote most of their time following the International Conference to travel and vacations and yet wish to meet social workers, the following have been provided. No special forms of social work will be studied but there will be opportunities to meet social work leaders in many of the cities visited.

1. Leader, Jane Chandler, Staff Assistant, National Conference of Social Work. This group following the week in Frankfurt will visit Munich, Vienna, Venice, Rome, Florence, Milan, Geneva and Paris.

Starts, July 1st. Returns, August 28th. Price \$625.00.

2. Leader, Mrs. Mary B. Holsinger, Secretary, New York State Conference of Social Work. This group will visit Nurnberg, Rothenburg, Prague, Vienna, Munich, Lucerne (with the Rigi trip) and have a week in Paris.

Starts, July 1st. Returns, August 19th. Price \$595.00.

A Four Weeks Trip

At the request of a number of social workers, The Open Road has arranged for a short trip to include the International Conference at Frankfurt, and the Second General Congress on Child Welfare at Geneva together with a week in Paris.

Starts, July 1st. Returns, August 3rd. Price \$397.00.

Any person interested should write directly to the Open Road, 20 West 43rd Street, New York City, or to the leader of the group for detailed information as to itineraries, costs, and the like. These groups are organized on a non-profit basis and are developed as a service to United States delegates. They will be carried through in proportion to the demand for such service.

Membership

Membership in the International Conference is five dollars. Membership fees should be sent to the office of the National Conference of Social Work, 82 North High Street, Columbus, Ohio, and a temporary receipt will be issued and a membership card be issued from Germany early in the spring. The membership fee is paid but once and covers the entire period of the International Conference, including all Bulletins that may be issued and such Proceedings as may be published following the International Conference. Checks should be made payable to Raymond Clapp, Treasurer, Committee on International Conference of Social Work.

Contributions

The Committee on International Conference has assumed responsibility for securing by contributions an appropriation to the treasury of the International Conference. The same responsibility has been assumed by all the National Committees. The International Conference of Social Work,

in order to secure adequate financing, has asked each country participating to appropriate directly a sum equal to approximately five dollars per one million population per year for three years, covering the period of preparation as well as the Conference itself. This means that in the United States we are responsible for approximately \$2000.00. Already a part of it has been raised. Contributions, in any amount from social workers or others interested in the objects and purposes of the International Conference, will be gratefully received at the office of the National Conference of Social Work, where they will be duly acknowledged and forwarded to the International Conference treasury.

The International Conference of Social Work, by bringing together the social work leadership of the world next year, can make a great contribution to social thinking and planning in these trying times.

Travel, Expense, and Cost. Neither the National Conference of Social Work nor its Committee on International Conference will appoint any official travel agent, nor will there be any official trip or boat in the sense that some organizations charter a boat or designate a boat on which all of the party are expected to travel. Many of the delegates of the United States will wish to go early or very late. Many will have individual plans.

Others will wish to take advantage of the Seminar Study Travel Groups. Under any circumstances, there will not be a sufficient number to charter a boat. Special reduced rates are not available under the agreement of the steamship lines unless a boat is chartered. However, the minimum rates for ocean travel are so low today that one can go to Europe almost as inexpensively as spending a vacation in the United States. The cost will vary as to the quality of accommodations. The best estimates of cost can be secured from any reliable tourist agency.
